Clinical Interests or Specialty Areas

Foot, ankle, and hip pathology, balance and gait, sports medicine and return to sport training, and work injury management.

Hobbies and Personal Interests

Soccer, downhill skiing and biking, running, camping and fishing (while floating preferably), traveling the states and abroad, teaching, coaching soccer, and spending time with family.

Philosophy of Care

“Health is not merely a matter of chance, it is also a matter of choice. I want to enable others to practice wellness by connecting knowledge with action, striving to live an active lifestyle full of learning, laughter, adventure, and wellbeing.”
